

2008 Territorial Governor Summit Agenda

1. Should we combine the Traditional and Modern categories and then split this combination into two age-based categories with the age breaks being at 17 and up and 36 and up? This would give us age-based categories for all ages. All age based categories would allow the use of all SASS legal firearms, propellants and shooting styles except Gunfighter.

De-cocking may not be done to avoid a penalty if cocked at the wrong time or position. To – NO gun may be de-cocked on the firing line except by pointing it down-range and pulling the trigger or while under the direct supervision of a stage officer?

8. Should we change the rule regarding empties left on the carrier or in the chamber of a long gun? A live round in the chamber would continue to carry a Stage Disqualification penalty and a live round on the carrier a 10-second minor safety. This change would eliminate all penalties for empty rounds in the chamber or on the carrier of long guns only.
